June 12, 2017	Used Refrigerator and Stove	\$260.00 Stove \$270.00 Refrigerator	Client has requested assistance with the purchase of a used Refrigerator and Stove. She has been unable to locate any free items from the referrals we have given her in her local community. She needs them in order to move into her apartment and be able to cook and have cold food for her and her children. She has also done a lot of work to locate local "scratch and dent" places where she could find used appliances that were affordable.
